

**Sharnbrook Academy Federation**

LMR/ler

11th October 2016

Dear parents/carers,

SIXTH FORM OPEN EVENING 2016

We cordially invite you and your son/daughter to our Open Evening on **Thursday 10th November** from 5.45pm to 9pm. There will be **presentations at half hourly intervals at 6.30pm, 7pm and 7.30pm** either in the main hall, or in the science centre, and you are now able to book onto the presentation best suited to you via this link: <https://sharnbrooksixthform.eventbrite.co.uk>

Sharnbrook welcomes a significant number of students from other schools at sixth form level, attracted by the wide range of courses; excellent facilities; coeducational environment; enrichment opportunities; examination results and so on. The Open Evening gives parents and students the opportunity to view the school and to speak to current students, departmental and sixth form staff about the courses and opportunities that are available. It is a busy and interesting evening and we hope you will be able to attend.

Our sixth form courses have been developed so that we can offer something of relevance to the majority of students who are interested in advanced level study. Whilst we focus particularly on the aspirations of the students, we feel strongly that there should also be a partnership with parents and we look forward to discussing any queries on the evening.

If this date is inconvenient, we would be happy to arrange a tour of the school for you another time. Please contact Mrs Ryder, Sixth Form Centre Manager, to make the necessary arrangements. If you and your daughter/son cannot attend the Open Evening, but would like to be included on our mailing list for further information, please email the following information to Mrs Ryder on lyder@sharnbrook.beds.sch.uk :

- Student name
- Address
- Telephone number
- Email address

If you need any further information please do not hesitate to contact Mrs Ryder.

Yours sincerely,

(Mrs) L M RATTU
Operational Director of Sixth Form Studies
