

29th September 2020

Dear Student

Kimberley Sixth Form College Virtual Open Evening on Wednesday 14th October from 5pm

I am delighted to invite you to our Virtual Open Evening for all Year 11 students and their parents/carers. Our Open Evening has always been a very busy event and although we are hosting the evening virtually this year, we are confident you will have all the information you need to make the decision to apply for a place in our year 12 next year. Our virtual event is open to students currently studying at Bedford Free School and other local schools; if you have friends that would also like to attend, they are more than welcome! Please visit <https://kimberleycollege.applicaa.com/events/3> to register for this event and your interest in Kimberley College.

Please be aware that last year, applications for places at Kimberley College were significantly greater than the number of places available. If you are interested in studying at Kimberley College next year it is important you submit your application by **30th November**.

From Wednesday 14th October the college website will contain all the information you need to make an informed choice about studying at Kimberley College in 2021. There will be links on the website to complete your application, to find out more about the subjects we offer and our entry criteria and to find out what support the college will be able to give you during the application process.

I do hope you will be able to join us to start planning the next exciting stage of your education; applications for September 2021 will open on Wednesday 14th October. In the meantime, if you have any questions about applying to Kimberley College or concerning our virtual Open Evening, please do not hesitate to contact Mrs Lowe via email admissions@wootton.beds.sch.uk or by phone.

Yours sincerely

Mr Tim Detheridge
Head of Kimberley Sixth Form College
