

## Organising your 'Next steps'

Just like deciding on a secondary school, it is important pupils make an informed choice and it is the right one for them. Please see the table below for local post-16 providers. Where we have information about open events we have provided it. These tend to be taking place online as virtual events – please register in advance on the provider's website. You can also find prospectuses and contact details on the providers' websites.
