GCSE Results Day 2021

Congratulations to the 'Class of 2021'

It has been a wonderful day celebrating with pupils, parents and families. Their achievements are the results of five years of hard work and dedication. We are very proud of their academic achievements but more than anything we are incredibly proud of the young adults they have become. We wish them all the best and every success for the future.

Tim Blake, Principal, said: "I am very proud of our school, the pupils and their achievements. Despite the challenges posed by the pandemic, pupils have responded with relentless courage and determination, patience and overwhelming compassion. They have embodied our values and gone well beyond the extra-mile. We are exceptionally proud of everything pupils have achieved during their time at BFS. I cannot wait to see what this group of pupils goes on to achieve and contribute to Bedford and the country."

Nigel Syson, Chair of Governors said: "The Governors congratulate everyone today, and want to thank pupils' families and many other members of the local community for their support. They truly deserve the successes we are celebrating today. We hope pupils will think fondly of their time at BFS and continue to be an active member of the wider BFS community."
